PACIFIC LUMBER INSPECTION BUREAU MEMBERS'MEETING June 25, 2019 The Kimpton RiverPlace Hotel Portland, Oregon

Chairman Ken Thorlakson called the Annual Meeting of the Members to order at 8:02 am on June 25, 2019 at the Kimpton RiverPlace Hotel in Portland, Oregon.

The Secretary reported that 61% of the members eligible to vote were present, either in person or by proxy, which exceeded the one-quarter quorum required in the Bylaws.

Mr. Thorlakson welcomed all in attendance and asked the group to go around and introduce themselves. The Chairman then reviewed the agenda and meeting schedule and noted that Tom Sulewski of Clark Nuber would be presenting the results of the 2018 financial review of both PLIB and WCLIB later in the meeting.

Mr. Thorlakson reviewed the anti-trust statement with the members and asked if there were any new agenda items to be added. There were none.

Upon motion made and duly seconded, the minutes of the June 26, 2018 Members' meeting were unanimously approved as presented in the meeting book.

The President distributed the 2018 Annual Reports for both agencies covering membership changes, program activities, and financial reports. He noted some highlights from the report. A copy of the annual report is attached to these minutes. The President also gave a presentation of the status of the merged company and addressed questions regarding fee structure and the revision of the Bylaws. The report was accepted as presented.

The following resolution to ratify the acts of the Board of Directors for the previous year was then unanimously approved upon motion duly made and seconded:

"That all of the official acts of the retiring Board of Directors, be and are hereby ratified and approved by the members in all particulars and declared to be acts and deeds of the Corporation."

The President welcomed Mr. Tom Sulewski of the accounting firm Clark Nuber to the meeting to present the auditor's reports for the year ending December 31, 2018. The President reminded the Members that Clark Nuber conducted a financial review of both agencies this year as opposed to an audit. Mr. Sulewski gave a quick history of the relationship between PLIB and Clark Nuber. He then reported that 2018 had a clean review with a few minor corrections to the foreign currency translation for PLIB and the pension obligation for WCLIB and that the records were in good order. Mr. Sulewski noted the reporting requirement changes for 2018 and 2019 requiring more robust detail in the financial report. He also touched on the changes expected on next year's financial report due to the sale of the Tigard building.

The Members thanked Mr. Sulewski for his presentation. Upon motion duly made and seconded, the Members unanimously accepted both auditors' reports as submitted. Mr. Sulewski exited the meeting.

Chairman Thorlakson reported that the Executive Committee recommended continuing with Clark Nuber as the auditing firm for 2019. Upon motion duly made and seconded, the firm of Clark Nuber was unanimously approved as the Bureau's auditor for the ensuing year. The decision to have a full audit or a limited financial review was deferred to the Board of Directors for the December meeting.
